Important Plot Twist

If you made it this far, congratulations! ■

This portfolio and this 'CV' were created mainly for fun and as a web development learning project. Most personal details are genuine, but this document is not meant for job hunting.

Current Availability

- Not looking for a job.
- Not looking for internships.
- Not looking for freelance work.

- Looking for coffee, good ideas, and fewer bugs.

Achievement Unlocked

- You clicked the Download CV button.
- Thanks for visiting my portfolio. Have an awesome day!
